

The VICTORIAN
LIGHTING COMPANY

Victorian style lighting for gardens,
patios and driveways

Based near Penistone in the rolling Yorkshire Pennine countryside. We manufacture and supply quality, British handcrafted cast iron lamp posts and Victorian lanterns.

All our lamps and lanterns are individually handcrafted by skilled craftsmen with an eye for detail. This ensures each product is manufactured to the very highest of standards and gives you, the customer a guarantee of quality from products that will grow in character and stand the test of time.

Our beautiful handcrafted lighting is designed to enhance your home and gardens and provide a lovely ambience throughout the whole year.

The wide range of products and sizes we have available will cater for most requirements; cast iron lamp posts ideal for gardens and driveways, copper wall lanterns with various mounting options for lovely lighting around the home. Lanterns on plinths and pedestals are ideal ornamentally for walls, gardens and patios. All can provide beautiful features around your property along with the benefit of security from lighting all year round.

Our range offers a solution to suit most tastes, budgets and space available. With lamp posts and lanterns all hand made in small, medium and large sizes. Ideal for lighting gardens, driveways and patios.

Perfectly suited to hotel, pub & restaurant grounds as well as other business premises and private gardens. All of our lanterns add a welcoming warmth, style and character, and naturally improve security by removing dark unlit corners.

Large Cast Iron Victorian Lamp Posts are currently available in three designs: Alveley, Whittington and the Wombourne.

Lanterns to suit these posts are large square, large hexagonal (medium hexagon and large square on the Whittington), with choices of the bulb mounted in the top reflector plate or the bottom of a frog bracket. Available in a polished copper finish or black powder coated finish. Alveley and Wombourne posts have an additional choice of a fluted column.

Lamp Posts

Posts are cast iron and are painted with hammerite Smooth paint, we recommend a further coat of paint on the posts after they have been erected. All posts are designed to be bolted to a concrete base. Bolts are not supplied as there are various methods of fixing.

Each unit comes ready to be assembled. We recommend the use of a registered electrician and experienced builder for installation as required.

Lanterns

Our Victorian Copper Lanterns are available in various styles: Half Wall Lanterns for direct mounting onto walls; Lanterns with Frog Brackets to compliment our post, pedestal or plinth range, or your own existing fixture. You may require a bracket mounted lantern, choices include either top mounted, up mounted cast scroll brackets or cast cradle brackets, all available with corner bracket fixture.

Large square and large hexagon lanterns come complete with a white reflector plate.

Medium and small square and hexagon lanterns are fitted with a white reflector plate.

All lanterns are copper and available in polished copper or powder coated black finishes. Bolts and screws are either brass or stainless steel. Glazing is acrylic as standard, polycarbonate can be requested as a stronger alternative. Please ask for prices.

Larger lanterns can be supplied with optional units, eg. Sodium, Mercury, Metal Halide. Please ask for prices.

Delivery

VAT and UK Mainland Delivery is included in our online prices unless otherwise stated, however, we do export far and wide; Southern Ireland, Japan, Bahamas, Nigeria, Sweden & France to name a few places. Please contact us to discuss shipping if you are ordering from overseas.

Specification changes and updates

All specifications are correct at time of going to press. Due to the nature of the products manufacturing processes all sizes are approximate and can be subject to change.

Please visit our website www.victorianlighting.co.uk for up to date details.

Guarantee

If you are not absolutely satisfied with your purchase, simply return the goods within the return period (see website for details) and we will refund your money or replace the goods. This guarantee is in addition to and in no way affects your statutory rights. Any guarantee mentioned on the site only applies to products where this is stated. The guarantee only applies to the metal components of the product (not the finish). A standard 12 month warranty applies.
